10. (Confidential - THW) BRIEFING Called Kathy Cooper, Office Manager for Representative Les Aspin (D., Wis.), and explained to her our shortage of manpower and asked if she would see if the Congressman would be willing to forego a private briefing and attend the House International Relations Committee briefing on 8 June on the Cuban involvement in the invasion of Zaire. She said she would check with the Congressman and if he agreed they would contact the Committee.

11. (Confidential - THW) BRIEFING Called Jack Brady, Chief of Staff, House International Relations Committee, to discuss the briefing scheduled for 8 June. We decided that since the subject matter might include compartmented information that staff attendance would be limited to those with an absolute need-to-know and who had been cleared for compartmented information. I also asked if he had any objection to Representative Les Aspin (D., Wis.) sitting in on the briefing and he said no and mentioned that Representative Parren J. Mitchell (D., Md.) had also asked to sit in and they had approved.

12. (Unclassified - THW) LIAISON Dorothy Fosdick, on the staff of the Senate Governmental Affairs Permanent Subcommittee on Investigations, called and said that Chairman Henry M. Jackson (D., Wash.) had been told of the existence of a paper prepared by NFAC entitled "Soviet Strategic Planning Process and SALT" in both a short and a long version. I said I would look into it and get back to her.
